**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

We have a small business and believe competition of broadband providers is important. We are able to choose one that provides the service we want, and they keep each other in check.

By allowing some companies to restrict competition, we run the risk of higher prices. Prices that threaten small businesses like ours.

Please protect robust business competition and consumers.

Thank you.
